**SCA NEWS**

**Message from the  
Dean of Students:  
Mr. Art Williamson**

**Cyber Bullying:  
Statistics/Tips**

Cyber Bullying is defined by the National Crime Prevention as sending or posting text or images intend to hurt or embarrass another person. Cyber Bullying is defined as, "willful and repeated harm inflicted through the medium of electronic device."

Parents we encourage you to please discuss this matter with your child. We do not want this type of behavior to filter into our school.

**Dear Parents,**

**I hope everyone had a wonderful Thanksgiving Holiday with families and friends.**

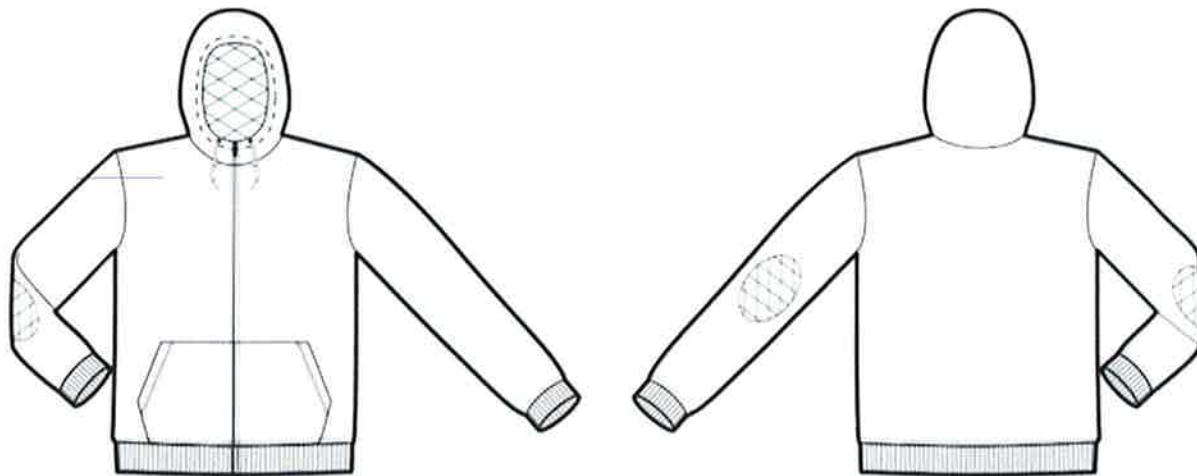

**We thank you for your support and interest during the parent/teacher conferences. Your insights and suggestions are valuable in helping teachers find the best way to guide your child's learning. It is always our sincere intention to work as a team to create the best learning environment for our students.**

**This month we have organized a reading incentive program for the month of December. Grades 3-8 will be reading the book "Wonder", the focus is on KINDNESS. After reading the book, students will complete various activities/projects. In the month of January, we will take the students to see the movie. (Date and time forthcoming) Parents, we encourage your involvement in this adventure.**

**We offer the very best wishes to you during this wonderful season with families, friends, and traditions.**

***Merry Christmas and Happy New Year***
